Martha Berry

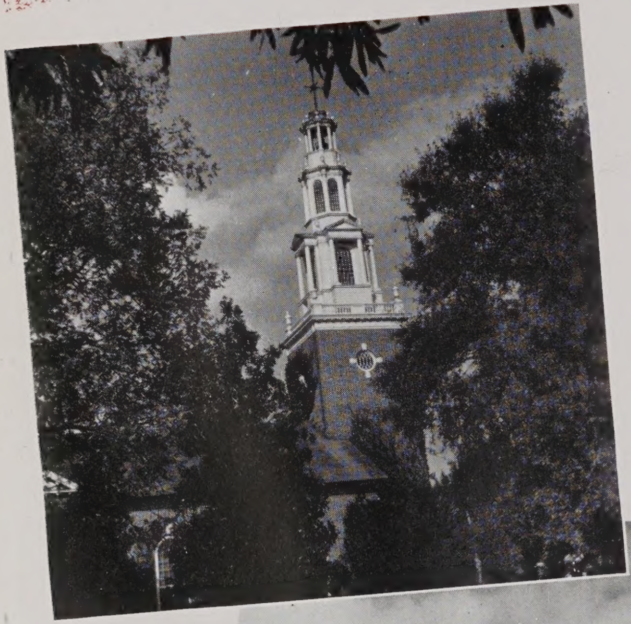
DEDICATION

We lovingly dedicate this yearbook of the class of 1942 to Martha Berry, *whose great spirit and vision made possible the Berry College of today.*

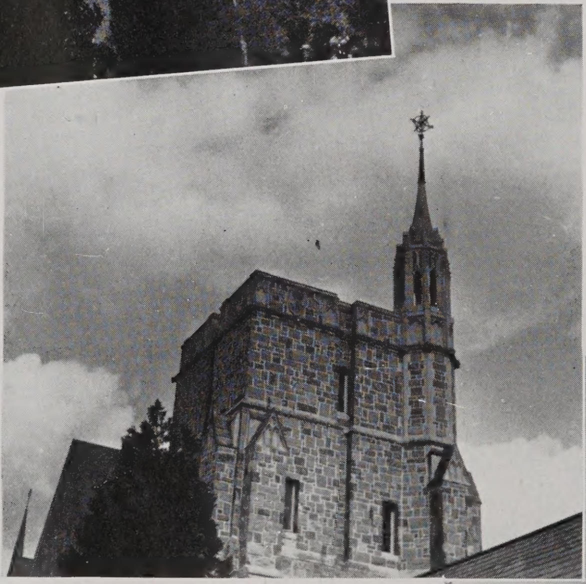
And we pledge ourselves to try in every way to carry on with fidelity to the lofty aims of our beloved founder.

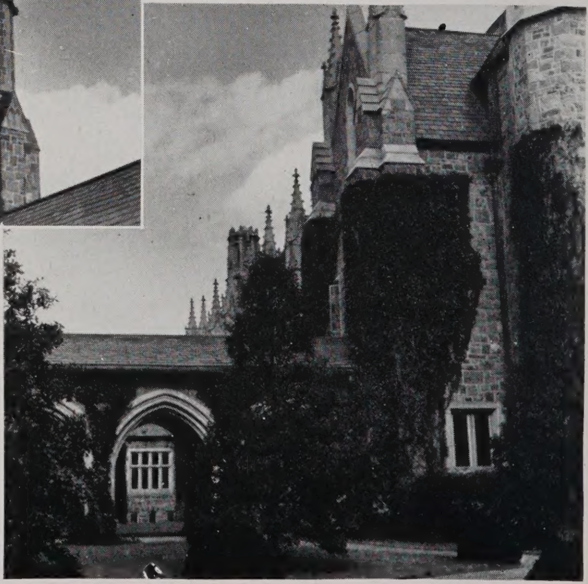
"THIS IS NOT THE END
BUT THE BEGINNING"

FOREWORD



An Eastern proverb says, "If you have two loaves, sell one and buy a lily." Beauty is a necessity, if your soul is to be fed and live. No Berry student need ever buy a lily to have beauty in his life. Our campus is a beauty spot of the world. The friendships we form, the personality of our teachers, the speakers we hear—all are food for the soul. Yet, most of all, is the leavening spirit of her in whose heart this school was born. If now and evermore this book recalls those associations, our work here has been successful.





Within this imposing edifice our lives have been enriched with a glowing knowledge of things scientific, and our hearts have become infused with a passionate desire to aid in the development of our beloved Southland.

Going out from Berry brings pangs of sorrow to all, but many men who depart from this hallowed campus carry with them precious memories of the happy hours they have spent in dear old "T. B."

BERRY

Sing a song, a rich refrain,
And let echo swell the strain
To old Berry and her fame,
Berry,—fairest name.

Glorious sunset in the west,
O'er Mount Berry's purple crest,
Stirs the noblest in our breast,
Berry,—dearest name.

Feathered songster, fairy flower,
Hushed and holy twilight hour,
Fill our souls with love and power,
Berry,—precious name.

When we think of college days,
When we sing our college lays,
We will not forget thy praise,
Berry,—holy name.

—Dr. G. Leland Green,
President of Berry College

ALMA MATER

BY M. C. EWING

Far up in the hills of Georgia stands
Old Berry, tried and true.

The Shrine of many a memory of
The Silver and the Blue.

Our loyalty and love we pledge,
God keep thee without fail,

Be thou the light that shines for right,
Alma Mater, Hail, All Hail!

BERRY PSALM

"I will lift up mine eyes unto the hills, from whence cometh my help.
My help cometh from the Lord, which made heaven and earth.
He will not suffer thy foot to be moved: He that keepeth thee will not slumber.
Behold, He that keepeth Israel shall neither slumber nor sleep.
The Lord is thy keeper; the Lord is thy shade upon thy right hand.
The sun shall not smite thee by day, nor the moon by night.
The Lord shall preserve thee from all evil: He shall preserve thy soul.
The Lord shall preserve thy going out and thy coming in from this time forth,
and even for evermore."

CLASSES

IN *the next pages to follow, we want you to remember the "inside stuff"—* THE CLASSES. *Here you will see your old side-kicks, trying to look their best —dignified. No matter how much they are spreading on the "airs," we will still remember the good old days together. In the future when we turn these pages, we can give a happy sigh and say, "Gee! That was a swell bunch."*

ORGANIZATIONS

ALL loyal Berry students should join some organization on the Campus. There is a variety of organizations from which to choose. If a person is ineligible for the Y. M. C. A. that person may apply for membership in the Y. W. C. A.

Other organizations in which one may participate are: the Syrreb Society, the Georgian Society, Commercial Club, Business Women's Club, Agricultural Club, Home Economics Club, Honor Club, and the Excelsior Club. If these do not cater to one's desires, affiliations may be had with the Mule Drivers' Association or the Fraternity for Women. The Coffee Fraternity is still taking in new members, but it must be remembered that this is a secret organization.

Hurry! Hurry! Join now and see your ugly mug in the Annual. P. S.—Freshmen desiring membership in the "X" Club may get some valuable information from Dr. Cook.

Dear reader, visualize for a moment a group of earnest young people who met together one year prior to their separation into their many fields. Think what three years of working with and for each other has meant to them . . . then try to imagine how intent they are upon having their one last year mean the most and last longest of all others. In order that the things they did, the words they spoke and what they observed could be preserved throughout the years, they selected a small group of their number to combine all these features into one great volume and label it The Cabin Log of 1942.

This group eagerly embarked upon the great sea of opportunities and happenings of their campus with wide eyes, sharp ears, and eager minds, letting nothing elude their dragnets. Yes, the sailing was rough at times. Many storms were encountered; often even the passengers were called upon to help man the ship. After she was again under control, everyone drew a deep breath and braced for the next squall.

Now that good ship is emerging from the last great fog, and the green shores of the quiet harbor loom bright in the foreground. The captain sighs in relief, and the crew collapse with joy as the passengers crowd to the deck eager to embark upon new experiences.

Now you have the story of how the 1942 Cabin Log has come to you. We hope that behind these scenes you can see just a little, not too much, of the toiling, swearing, kicking, anxieties, pains, heartaches, discouragements, sleepless nights, restless days, and pleasures that have been the experiences of the Staff.

The Berry College Honor Club is the most democratic of the Men's Clubs, yet it is the most exclusive in that less than three percent of the college men have met its challenging standards. It is open to all who perform on the standards required in academic and vocational fields. Many college departments are represented among the members. The purpose of the club is to promote an interest in academic work, and reward achievement. Continued good work is necessary to maintain membership. The Club seeks to encourage a balanced participation in all student improving activity.

The Honor Club meets twice each month. Members themselves are responsible for the programs presented at these meetings, each one being required to present some type of divertissement. Varied interests thus elicit unusual and inspirational programs.

This March the Excelsior Club rounds out ten years of activity as a college honor society. The Excelsior Club aims to be a reward and incentive to high scholastic achievement. To become a member, one must make the honor roll three times consecutively, or five times in any order.

In its programs, which are given twice a month, the Excelsior Club offers enlightenment and entertainment in the fields of literature, art, and music. Both guest and club talent are used on the programs.

Knowing that a well-rounded education must include some social activities, the Excelsior Club joins with the other honor clubs in sponsoring a dance each semester.

The "X" Club, secret honor organization of faculty and students, selects its members for their qualifications of leadership, school spirit, and Christian character. Student members are chosen from the Junior and Senior classes. The purpose of the club is to discuss school problems and to promote a better understanding between faculty and students.

Silas Harmon spoke on the subject "The Home" at the fall semester Tap Day exercises held in the Mount Berry Chapel on December 20. Herman Johnson presided over the meeting and welcomed each member into the club. The men tapped for membership were Wilton Anderson, Noble Finley, Leonard Parrish, Nathan Patterson, Walter Russell, and William Tune.

The Intercollegiate Debating Council was established in order to stimulate a greater interest in debating, to provide a means whereby students of this college may engage in forensic encounters with other colleges and universities, and in order that the students interested in public speaking in Berry College may give fullest expression to their abilities in this field.

The members, consisting of four women and twelve men chosen from the three upper classes, are selected by means of competitive try out programs.

Included in the forensic schedule for the Spring Semester are engagements with University of Dayton, Dayton, Ohio; University of Florida; Muhlenburg College, Allentown, Pennsylvania; and Oglethorpe University.

THE Y. W. C. A. AT BERRY

The activities of the Y. W. C. A. are as manifold and varied as the Berry girl's coiffures. Freshmen become acquainted with the "Y" even before they do the dining hall. In order to help new students to adjust themselves more quickly to college life, members of the Y. W. C. A. adopt new girls as their little sisters and correspond with them during the summer.

In addition to its regular activities, this past year the "Y" has edited an All-Occasion Songbook; has initiated a project of distributing school uniforms to the girls; and has organized an athletic association.

The Y. W. C. A. and Y. M. C. A. have jointly sponsored vesper services, an annual "Y" Reception, a Social, and the publication of the Student Handbook.

The Association is a member of the National Student Council and the World Student Christian Federation.

Sibyl Shipp and Mae Harwell were representatives to the Georgia Area Leadership Conference; Sibyl Shipp and Mamie Lou Mashburn were representatives to the Southern Student Christian Conference at Blue Ridge, North Carolina.

The motto of the Y. W. C. A. is "The Berry Schools for Christ", and its aim is the abundant life for all.

THE Y. M. C. A. AT BERRY

For thirty-seven years the Berry College Young Men's Christian Association has served the men of the Schools. We believe in the Christian way of life and we try to point out practical applications of the Christian spirit here and now in the service of our fellowman. The "Y" is affiliated with the National Council of Student Christian Associations and with the World's Student Christian Federation, and through them contributes to the building of the Kingdom of God here and now in this world of man-made confusion. The "Y" has grown with the schools, this year having reached the greatest membership in its thirty-seven years of service.

Each new student who comes to Berry is met and welcomed on his arrival by "Y" representatives who provide for the transportation of his baggage from Rome to the College.

After the opening of school in September, the "Y" sponsors the "Y" Reception Day. Through the year other activities such as Thursday evening religious prcgrams, motion pictures, Sunday evening vespers, daily evening devotions, "fireside chats" with Miss Alice Logan Wingo, Dean Emeritus of Women, and the publication of the *"Student Handbook"*, a guide furnished by the Y. M. C. A. for new students. We send two delegates to the Student Christian conference of Georgia and to the Regional Conference at Blue Ridge, North Carolina.

The Commercial Club of Berry College is a student organization of college men whose interests primarily concern business administration. The charter members of this club who met in the Thomas Berry Common Room on Sunday evening, Febraury 1, 1934, chose as its motto: "Seize the Present Hour".

Any student who plans to major or minor in Business Administration and has begun his academic work in this field is eligible for membership.

Programs in which members of the club as well as members of the faculty participate are given semi-monthly. The Commercial Club and the Business Women's Association, which were originally one, give annually a joint program, which is open to the entire college and usually consists of two one-act business plays.

At the end of the fall semester the club gives two seniors who have done outstanding work a Certificate of Accomplishment which entitles them to wear the Club Key.

Semi-monthly meetings are held at which business men, members of the faculty, and members of the club give programs designed for entertainment and interest.

On November 7, 1941, the Business Women's Association, with the Commercial Club, sponsored a joint program featuring two one-act plays, "The Tithing Box," and "Merry Molly Malone," directed by Florence Coker and Adrian Bradford.

The Industrial Arts Club was founded in 1934, for the purpose of stimulating interest in the field of Industrial Arts. Up to the present time the club has been successful in its venture.

The Club's membership is made up of those students majoring in Industrial Arts and maintaining a scholastic average of B, and of faculty, who are interested in Industrial Arts, and who are voted into the Club. These members make up the largest group of faculty members belonging to any one club on the campus.

Carefully planned programs in which club members as well as off-campus speakers participate are given semi-monthly.

The club joins the other major clubs of the campus in presenting parties and expositions during the school year. This year being in the form of a Hallowe'en party and in the spring a school fair. Two closed parties each year are also enjoyed by the club. An outing at the picnic ground is held each semester at which time Mr. O. C. Skinner plays a great part.

GEORGIAN LITERARY SOCIETY

The Georgian Literary Society marked its eleventh year with success in orating, debating, dramatics, and music.

The highlight in orating was reached in the Sixth Annual Senior Oratorical Contest on November 3, 1941. Silas Harmon won first speaker's place and Stafford Clark won second place. Their orations were respectively entitled, "Give Us Dirt," and "On Our Way—Where?"

Gordon Anderson and Reuben Fields lost a heated argument in the Annual Intersociety Debate on Founder's Day, January 13, 1942. They upheld the affirmative—Resolved: "That the Federal Government should adopt the policy of equalizing educational opportunity throughout the nation by means of annual grants to the several states for elementary and secondary education."

For the fourth consecutive year the Georgian basketball team came through with a victory over the Syrrebs at the annual Thanksgiving Day games. The score was 21-20. The Georgians were coached by Curtis Wilson. This was Wilson's second successful year as captain of the team.

Both divisions of the Society presented its Twelfth Annual Joint Program on October 11, 1941. Two short plays were given, "The Laugh in the Dark" and "The Joneses", directed by Marjorie Dodd and Herschel Whitson.

Certificates of honor were awarded to Adrian Bradford, Stafford Clark, Frank Collins, Silas Harmon, Jeff Hester, Kirby Smith, and Curtis Wilson for outstanding work in the Society.

The outstanding event of the entire school year was the annual banquet held in Blackstone Hall. Following the banquet, the Georgians and Syrrebs joined in an evening of dancing at the Ford Recreation Building.

SYRREB LITERARY

With the enthusiastic cooperation of every member, the Girls' Division of the Syrreb Literary Society brought to a close one of the most successful years in the history of the organization.

During the year the membership was almost doubled, the new members having appeared before the society a sufficient number of times to secure the required points.

The highlight of the Fall semester was the annual play, "Nuts and Bolts", directed by Noble Finley and Daphine Lummus.

Sibyl Shipp and Frances Robinson upheld the high standards of the Society in the Senior Oratoricals.

The social climax of the year was reached when the Society, both Women's and Men's Divisions, met in the Ford Dining Hall for the Syrreb annual banquet.

Speaking of the Founder's Day Debate, a freshman said, "I had planned to be a Syrreb all the time, but after hearing those Syrreb boys debate, I know I'm going to be a Syrreb."

During the year certificates of honor were awarded for leadership in the various phases of art to the following: Mildred Gunne, Sibyl Shipp, Justine Bird, Flora Moss, Loyce Daniel, Frances Robinson, Daphine Lummus, Louise McMullian, Wylma Griffith, Virginia Moulder, Jennie Bird, and Helen Bennett.

SYRREB LITERARY

The Boys' Division of the Syrreb Literary Society continued to SERVE THROUGH THE ARTS during the school year 1941-1942.

On December 12 and 13, 1941, the Syrreb Societies presented "Bolts and Nuts", a three-act play directed by Noble Finley and Daphine Lummus.

At the Syrreb play Honor Certificates were awarded to Charles Auchmutey, Harvey Duncan, Noble Finley, Dale Haggard, Ben Hill, Herman Johnson, and Clyde Simmons for their work in the society.

At the annual inter-society basketball game on Thanksgiving Day the Syrreb team, captained by Audrey Coleman, lost a hard fought game to the Georgians by a score of 21 to 20.

Herman Johnson and Noble Finley led the Syrrebs to victory in the eleventh annual inter-society debate on January 13. Herman Johnson won first speaker's place and Noble Finley won second speaker's place. The Syrreb Society won the decision with a unanimous vote.

The Boys' Division of the Syrreb Society was represented by Audrey Coleman and Herman Johnson in the annual Senior Oratorical Contest.

The primary aim of the organization, in keeping with the school motto, is expressed in the Club motto, "To Serve Our Home and Community." Its chief purposes are to create more interest in agriculture and develop rural leadership. In keeping with this purpose, the weekly programs include student and faculty talks, outside speakers, group discussions, student debates and motion pictures which are all on agricultural topics.

The outstanding accomplishment of the fall semester was the Holloween Party, presented in conjunction with the Home Economics and Industrial Arts Club. It was decided not to have the Fair this fall.

The Tenth Annual Banquet attended by members and guests of the Agricultural and Home Economics Clubs was the most important event of the Spring semester. Out-going seniors, and other members "Caught in the Draft," meeting constitutional requirements received Honor Certificates. Honor Keys were awarded to the three seniors ranking highest in leadership, character and scholastics.

It can be truthfully said that the Berry Agricultural Club is helping to produce "Leaders for Defense."

The Berry Melody Club was organized in 1927, to serve the interests of the students taking part in some phase of musical activity on the campus. The purpose of the club is to promote and encourage higher standards of music at Berry. Each semester the club recognizes those students who have excelled in music by nominating them for membership in the Club. After passing the required entrance examination the nominees are given membership certificates and are privileged to wear the club letter.

To create a greater appreciation of concert music, the club presents each spring a recital in which the entire school is invited to participate.

Those members who have shown marked ability by outstanding work are awarded, upon graduation, certificates of honor.

The Berry College Band is one of the foremost organizations on the campus. It is the *only* technicolor organization, judging by the blue notes which are very frequently disgorged from—the origin is doubtful.

Despite this fact, though, the Band seems to be enjoyed by all when it plays for Joint Chapel and in its "jam sessions" in front of the dining hall before lunch.

Most of the members have had little, if any, instrumental training before coming to Berry, but the enthusiasm of the members, combined with the able leadership of Prof. Hill, always brings the Band through with flying colors.

Since the Band has recently gone under new management, Mrs. "Bunker", we are expecting bigger and better results.

The Quartet, under the leadership of Miss Alice B. Warden, sings in chapel, in the dining hall, and in various other student gatherings. These girls often sing for guests of the school and appear on special programs off the campus.

When dressed in their costumes which are representatives of past generations, they sing the old southern folk songs and ballads, accompanied by the dulcimer. They carry on the crude former-day activities of carding, spinning, and reeling wool and flax.

The Varsity Cross-Country Team is made up of the first ten men to finish the three-mile run. This event is made up of ten men from Lemley and ten from Thomas Berry Hall. The first five men to cross the finish line are eligible for the Varsity "B." Each man who takes part is awarded a cake for his efforts.

The Varsity Basketball squad is chosen from those Sophomores, Juniors, and Seniors who have shown outstanding ability along with team spirit and clean sportsmanship in the annual spring tournament held in the College Gymnasium. The team is under the direction of Athletic Director B. D. Bagnall, thus it holds a slight advantage over the other teams in the tournament.

DORMITORY BASEBALL

For the eighth consecutive year the Inter-Dormitory series ended with Lemley as champions. At the end of the season the records stood as follows: Lemley won 5 and lost 1, Thomas Berry won 3 and lost 3, while Emery won 1 and lost 5. The Lemley boys were led by Herschel Whitson, captain, Thomas Berry boys by Silas Harmon, and Emery by Purnell Block.

Lemley won its games by the following scores: 2-1, 8-3, 18-3, 15-2, and 9-0. They lost to Thomas Berry in the first game by 6-2. Thomas Berry won its games: 9-6, 4-1, and 6-2. Emery defeated Thomas Berry 5-3, after losing a no hit game pitched by Carol Cone by the score of 4-1.

Norman Merrell and Garland Dickey again did the mound work for Lemley, each winning two games. The catching was taken care of by Captain Whitson and Horace Tyler. Joe Clark again headed the Thomas Berry pitching staff with two victories. He was assisted by Stafford Clark and Earl DeVane, with Edward Parker doing the receiving. The Emery pitching staff was composed of Hugh Finley and Carol Cone with Harlan Beasley doing the catching.

FRESHMAN CROSS-COUNTRY

The annual two-mile Freshman Cross-Country run attracted a field of twenty-two men. Johnny Lipscomb took an early lead and was never headed although the other boys ran a good race. The first ten men received cakes for their efforts. The first four received numerals. They were John Lipscomb, Ray Copelan, Robert Puckett, and Earl DeVane in that order. They were followed by Estes, Williamson, Clark, Ware, Hester, and Chance.

TENNIS

Billy Bullock retained the Tennis Singles Championship by defeating Bill Williford in the Fall Tennis Tournament by the score of 7-5, 6-4, 1-6, and 6-0.

Bullock then teamed with Thad Pirkle to take the Doubles Championship. Billy and Thad were rewarded for their good work by becoming eligible for the Varsity "B."

CROSS-COUNTRY

In the annual three-mile cross-country run Lemley Hall again defeated Thomas Berry. The final results of the race which was run on a muddy course in the rain was Lemley 67 points, and Thomas Berry 138. Purnell Block running as an independent from Emery came in third. Eight of the first ten men were from Lemley.

Ottis Loveday finished the course in sixteen minutes and thirty-four seconds. He was closely followed by H. G. Dennis, Purnell Block, Lanier Mullis, and Garland Dickey in that order. Dennis, Block, and Mullis received the Varsity "B" for their efforts. Loveday and Dickey were able to add a star to their letters.

The fall basketball series between the classes played December 6-18 proved again the great popularity of this sport at Berry. There were seven teams entered in the tournament. The series got under way with a surprise Freshman C team turning back a highly favored Freshman A team. From this until the final game between the Sophomore A and the Freshman A team everyone was treated to some very interesting games.

SCORES FOR ALL SERIES GAMES

Freshman C	12	Freshman A	10	Juniors	28	Sophomore B	8
Sophomore A	30	Freshman B	9	Freshman A	22	Freshman C	12
Seniors	42	Sophomore B	8	Freshman A	16	Juniors	14

Seniors	21	Juniors	19	Sophomore A	24	Freshman A	22
Freshman A	20	Freshman B	10	Sophomore A	27	Freshman A	20
Sophomore A	16	Seniors	12				

The final count found the Sophomore A team champions with the Freshman A in second and the Senior team in the third spot. The Sophomores were the only team undefeated in the tournament.

BASKETBALL

SOPHOMORES AND FRESHMEN

Starting fast and never relaxing the Sophomores were able to overcome all opposition in the Fall Tournament. Led by Captain Johnson and sparked by the high scoring man in the tournament, Hollis Smith, they won five games while losing none although they were hard pressed by the Freshman A team in the last two games. However, they won them both 24-22 and clinched it 27-20.

The high point men during the tournament were as follows: Hollis Smith 57, Frank Clemmons 30, Curtis Wilson 28, Edgar Pinkard 25, Thurman Hester 25, Leon Graham 21, and Linton Johnson 20. A total of seventy men took part in the series which helps to show the great interest of the boys in this sport.

For the first time a dormitory series was held early in the spring semester. Thomas Berry led by Moody Mason as captain won first place. Lemley was led by Norman Merrell and finished second. Emery took third place under Edgar Pinkard as captain. As usual much rivalry and great interest was shown throughout the series, which everyone expects to become a part of our regular inter-dormitory athletics.

THE GYM TEAM

The Berry College Gym Team has become one of the most interesting groups in the Athletic Department. It combines many and varied activities. From the pyramids to the individual acts, from the tumbling to the parallel bars, even the horizontal bar and the horse bring out the skill and ability of the members.

Throughout the year the team puts on exhibitions at special student group gatherings in the Ford Recreation Building. Under the capable leadership of captain Thomas Gandy the team has attracted a large following and at present consists of some twenty members, several of which have earned their Varsity "B" by their outstanding ability, cooperation, and good sportsmanship. The team is continually adding to its list of acts and stunts. Each member is allowed to show his ability as an individual and as a group worker.

With the continuing growth of the physical education department at Berry the team should occupy an even greater place in the school program.

BEHIND THE BACKS OF THE FACULTY

Remembering that perhaps everyone who reads these jokes will be full blooded Americans of the Anglo-Saxon type, and that it is seldom that an American laughs at a joke . . . because he has heard it twice already . . . we hesitate to submit these pages. If, however, we succeed in provoking just one teeny weeny smile from you, we will be well reimbursed for the weeks, months, and years spent in preparing this for you. If you read something here that is funny, you may rest assured that it is a mistake on the part of the printer.

A real estate man from an arid section of the West was talking to a prospective customer.

"Why," he explained, "it could be the garden spot of the world. All it needs is good people and water."

"Huh, the same is true of Hades," replied the skeptical prospect.

Bandit: It's your life or your money.

Billy Tune: Take my life; I have to save my money for graduation.

Mr. Giles: Yes, you may ask a question, but be brief.

Medlock: Well, when a doctor gets sick and another doctor doctors him, does the doctor doing the doctoring have to doctor the doctor the way the doctor being doctored wants to be doctored or does the doctor doing the doctoring of the doctor doctor as he wants to doctor?

Physician: You still take your morning bath, I suppose.

Miss Alston: I never miss it. Sometimes I take it hot, sometimes I take it cold, and when I'm in a hurry I take it for granted.

Evelyn (at a baseball game): Look, we have a man on every base.

Sarah: That's nothing; so has the other side.

Miss Knight: Can anyone tell me three food essentials required to keep the body in good health?

Frances: Your breakfast, your dinner, and your supper.

Dink: Beg your pardon, sir, when does the next train leave for the east?

Station Agent: Not for six hours.

Dink: When does the west-bound train come through?

S. A.: Not until tomorrow.

Dink: Come on, Pap, we can cross the tracks now.

Webster says that taut means tight. Well I guess I was taut a lot in school after all.

Oswald: What is that in your pocket?

Pirkle: Dynamite, every time Ben meets me he slaps me in the chest and breaks my pencil. Next time he does it he'll blow his hand off.

Dr. Thompson: Yes, I know. I'm a married man, too.

Little Jane delighted over the arrival of a baby brother asked her teacher to come to see him.

Teacher: "Thank you, but I think I will wait till your mother is better."

Jane (thoughtfully): "Well, you needn't be afraid. I don't think it is catching."

Mother: Have a good time at the party, dear, and be a good girl.
